To Whom It May Concern:

This is a federal civil rights complaint pursuant to the U.S. Department of Education's Office for Civil Rights' discrimination complaint resolution procedures.

Do No Harm brings this complaint against the Medical College of Wisconsin for discrimination on the basis of race, color, or national origin in programs or activities that receive federal financial assistance in violation of both Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d *et seq.* and the Equal Protection Clause of the 14th Amendment of the U.S. Constitution.

Do No Harm makes this complaint as an interested third-party organization that opposes racial discrimination in American medical schools and healthcare organizations. Supporting evidence is attached to this complaint as Exhibit A.

As the Department is no doubt aware, Title VI declares that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." 42 U.S.C. § 2000d. As a recipient of federal funds, the College must comply with Title VI and, by extension, the Equal Protection Clause. See *Gratz v. Bollinger*, 539 U.S. 244, 276 n.23 (2003) (holding that the requirements of Title VI are coextensive with the

requirements of the Equal Protection Clause). The College is flagrantly violating these obligations.

The College's "2022 Visiting Underrepresented in Medicine Student Elective Program" is a 4-week elective where "students will have opportunities for mentoring from faculty and trainees." Awardees receive up to \$2,000 stipend to cover cost of living expenses, as well as many professional and career development opportunities.

These financial benefits and professional opportunities, however, are strictly limited to individuals of certain races or ethnicities. As the College openly admits—indeed, advertises—applicants must "be a member of a group that is recognized as racially/ethnically URiM by MCW" to be eligible to apply. *See* Ex. A. To eliminate any confusion, the College specifies which races can apply: "Mexican American, Puerto Rican, Black/African American, Native American, and Hmong/Hmong American." *See* Ex. A.

In light of the College's facially discriminatory eligibility standards, we ask the Department to promptly investigate the allegations in this complaint, act swiftly to remedy unlawful policies and practices, and order appropriate relief.

Thank you for your prompt assistance with this request for investigation and resolution.
