

## **TRADITIONAL INTERVIEW QUESTIONS 2022-2023**

**Instructions:** Ask each question and indicate below average, average, or above average based upon the applicant's response.

**The overall score should be as followed:**

Offer: (1)

Highly Acceptable: (1.5, 2, or 2.5)

Acceptable: (2.75, 3, or 3.5)

Reject: (4)

### **COMMUNICATION**

What is the difference between 'hearing' and 'listening'?

Follow up: How does this relate to medicine?

### **PROFESSIONALISM**

You are a resident on a surgical rotation. You notice that a colleague is impaired and appears to be under the influence of something. What do you do?

### **VALUES DIVERSITY**

Name at least 3 ways in which classmates who differ from you in regard to their cultural, ethnic, religious, socioeconomic background, or sexual orientation could contribute to your development as a future physician.

### **ALTRUISM/SELFLESSNESS**

Tell me about some acts of kindness you've witness in your life and the changes you've made in your own behavior as a result.
